About

A critical thinker with a view to approach engineering fundamentals from the core with consistency. My skills are focused on presentation making with strong verbal ability and I also worked with data analytics, AI and machine learning projects.

Education

Rajshahi University of Engineering and Technology Dec 2022 – Present
B.Sc. in Electrical and Computer Engineering
CGPA: 3.86

SSC, HSC Jan 2015 – Dec 2021
Jhenidah Cadet College
GPA: 5.00

Technologies

Languages: C, C++, HTML, CSS, Python, SQL

Framework and Tools: Python Flask, MySQL, NumPy, Pandas

Interest: Deep Learning, Signal Processing, Spectral Attention Analysis

Research Experience

Research Assistant, Qatar University Nov 2024 – Present

- 3rd Author, Journal Article: *Review of sensor technologies, DC-DC converters, and power electronics for sustainable monitoring in precision livestock farming*
- 4th Author, Journal Article: *Rethinking U-Net Architecture in Medical Imaging: Advancing the Efficient and Interpretable UKAN-CBAM Framework for Colorectal Polyp Segmentation*
- 2nd Author, Journal Article: *EEG-Based Cognitive Workload Assessment for Neuroergonomic Systems: A Comprehensive Review (Under Review)*
- 4th Author, Journal Article: *Advancing Medical Image Segmentation: A Comprehensive Review of Various U-Net Architectures, Applications, and Emerging Trends*
- Data Collection, Journal Article: *RoadSens-4M: A Multimodal Smartphone and Camera dataset for Holistic Road-way Analysis*
- Ongoing Work: *A Thermal Camera-based non-contact Health Monitoring System for Estimation of Vital Signs*

Teaching Experience

Cadet College Admission Mentor Jan 2026 – Present

- Teacher of Mathematics
Pre-Cadet Course Grade-5
Mojaru Education & Technologies Limited

Projects

CGPA Calculator

[GitHub Link](#)

- University Based Java Mini Project

AI Web App

[GitHub Link](#)

- An AI Integrated Web App with Multipurpose tools

Hardware Development Project: Object Detection Robot Car

[GitHub Link](#)

- Developed a robot car with object detection capabilities

Industry Experience

- Advanced Software Technology and Gaming Development

February-March 2026

Completed as a part of Industrial Training 4100 Course

Co-Curricular and Extra-Curricular Activities

- International Public Speaking Competition, Dhaka Division Round Rank 5th, Jhenidah Cadet College Representative
- 3rd Position, Inter-House English Debate Competition, 2016
- Inter-House English Extempore Speech Competition, 2017
- Anchor, House Cultural Show, 2017-2018
- Best News Reporter, Inter-House Current Affairs Display(CAD), 2019
- Verbal Mention, Notre Dame College Model United Nations, SOCHUM Community, 2019
- 1st Position, Inter-House English Debate Competition 2020
- Best Sports Commentator, Inter Cadet College Cricket Meet 2020, Hosted by Jhenidah Cadet College
- Command Task Leader, 87 BMA Long Course, Inter Services Selection Board, Bangladesh Armed Forces
- Green Card, Inter Services Selection Board, Bangladesh Armed Forces
